

When accessing your Vehicle Registration form, you'll need to log into Self Service using your Allegheny login and password. Then you'll click on the left icon that looks like a little bank. This will get you into the "Financial Information" Menu. When you click the drop down next to "Student Finance" you will see the link to the Vehicle Registration Request.

The screenshot displays the Allegheny College Self Service portal. At the top, it says "ALLEGHENY COLLEGE" and "Hello, Welcome Gators!". Below this, there's a navigation menu on the left with icons for Home, Financial Information (the "little bank" icon), Student Finance, and Grades. A yellow arrow points to the "little bank" icon with the text "Click on the little Bank".

The main content area shows a "Documents" section with a notification: "There are 2 requests from your institution that". Below this are three main categories: "Financial Aid" (with a sub-description: "Here you can access financial aid data, forms, etc."), "Student Planning" (with a sub-description: "Here you can search for courses, plan your terms, and schedule & register your course sections."), and "Grades" (with a sub-description: "Here you can view your grades by term.").

On the right side, there's a "Financial Information" dropdown menu. It is currently expanded to show the "Student Finance" section. Within "Student Finance", there are several options: "TMS/Nelnet Student Account Center", "Gator Cash Deposit", "Gator Cash Transfer Request", "Student Refund Request", "Housing Agreement", and "Vehicle Registration Request". A yellow arrow points to the "Vehicle Registration Request" link.

Here you will find the link to a google form.
